Dec. 3—

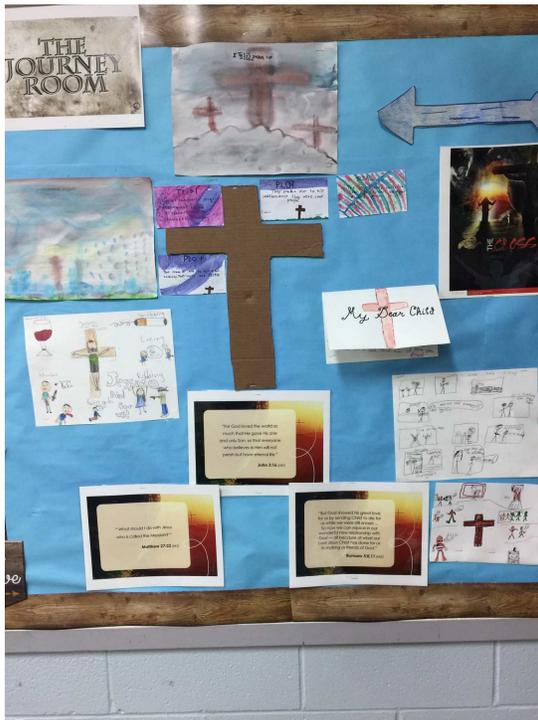

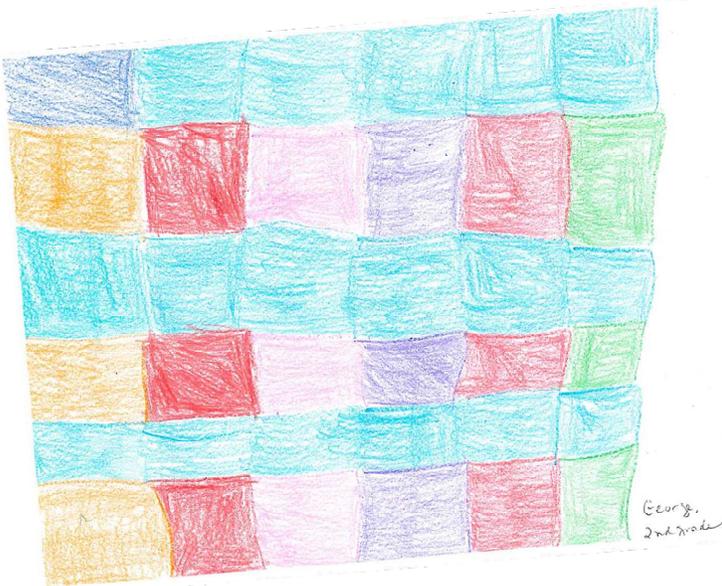

Nov. 19

**Early Release, Grades 1-8, No hot lunch  
(Childcare open until 5pm)**

Nov. 22-26

**Thanksgiving Break—ALL SCHOOL CLOSED**

Thanksgiving Dinner pictures are on our Facebook page

### Teacher Martha's Class

This has been a busy week! We had a lot of fun continuing to work on our parents' Christmas gifts. The kids have done a great job and are looking forward to giving your their present soon.

We did some painting techniques; marble and finger painting. The kids love to paint; I love to see the stages their paintings go through. Most start out not mixing their colors and making a specific design, but by the end of the process, they have brown hands, brown paint and a page covered in brown. :) It is the process, not the product.

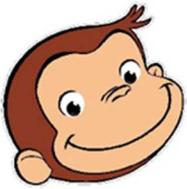

In Bible this week, we looked at another way God cares for us. Elisha helped Naaman with his Leprosy. Even though the task was simple, Naaman wasn't sure he wanted to listen to Elisha's message from God. But after being convinced to try it, we now have another story to remind us that God does and will always care for us. The kids got to help with the Thanksgiving dinner. Thank you to all the parents who took the time to attend. It was a fun evening and so fun to watch all the families connect.

We pray your family has safe travels and a very blessed Thanksgiving!

### Curious Kinders News

Dear Families,

This week we completed our study of the days of creation. We enjoyed learning about owls this week and what an "Owl Moon Walk" is. The kids used common shapes that they knew to create an owl picture. We also enjoyed several books that gave us a good lesson in what stewardship is. The Berenstain Bears always are prepared to teach us how to treat our toys and gifts that God has given us as well as sharing what we have with each other. We covered the letters U & V and reviewed the numbers 1-20 in different ways with different activities. Have a great Thanksgiving week!

Mrs. Powell

### Mrs. Davidson's Classroom

The big event this week was Thanksgiving Dinner on Thursday. The kids in my class made green bean casserole and peeled carrots and potatoes. We are glad so many people came to dinner with us!

We have been practicing our sight words and focus on one each day. This week we focused on he, on, and as. In math, the second-graders are practicing subtracting two-digit numbers with regrouping. This is an important skill and they have been doing a great job. First-graders are working on subtraction skills, also. In Bible, we learned about the cities of refuge in Israel, and that Jesus is our refuge and safety.

We have been playing a lot of 4-square and 9-square at recess this week. We had to review the official rules and now we're getting pretty good at it.

We wish you all a Happy Thanksgiving! Have a great week off next week, and we will see you back on November 29. - Isaac, 2nd grade

### Mrs. Messecar's Classroom

Another busy week and a difficult week in some respects. We have a student from my classroom in the hospital now that is having some severe health issues. We would like everyone to pray for her. We also have two students that we had to say good-bye to on Thursday because they are moving.

Those have caused sadness in our classroom.

We were busy working in the kitchen Wednesday and Thursday making stuffing and peeling potatoes and carrots. The Thanksgiving Dinner was a hit!

This week we wrapped up our Bible lesson on the cross. At the end of it the kids had to do something creative to reflect their feelings or knowledge of the cross and what it means for each of them.

The picture on the front is a reflection of that.

Have a great Thanksgiving Vacation and remember who we are giving thanks to, our Creator, Redeemer, Savior and the one who blessed us with living in the day, time, and place that we are right now.

God Bless you all.
