Sign-up sheet is by the door for  
our church's  
Winter Retreat. All are Welcome!  
\$70 per person for  
2 nights and 3 meals.  
See Martha States for details.

### Teacher Martha's Class

We finished our unit on Jesus being a friend and helper with the story of Zacchaeus. Zacchaeus is a great story of how Jesus can change us when we accept in our lives. From a man who had no friends and a grumpy outlook, accepting Jesus made him see the errors of his ways and correct them. Also, it was a witness to all those people in town that day on how Jesus is a friend to all.

I pray for my kids to see people in this way all of their lives...be a Jesus in someone's life today.

We worked on a fun handprint tree craft for Zacchaeus. The kids had fun tracing their hands and then adding leaves that they cut out. Some cut out 1, others attempted to cut, and others cut all of their leaves. I love to see them grow and strive to do more.

The counting jar has been a huge success. The kids love to bring a little bit of home in and then count them with their friends. Thank you for helping them fill them and remember to bring them back. We have also been working on number recognition and order. The kids are doing well at their numbers.

Please sign up at the front door for a conference. If the times listed won't fit your schedule, please see me and we will find a time. Have a great weekend!

### Curious Kinders News

Dear Families, This week we continued our week with learning about Moses, the crossing of the Red Sea, and how God will watch over us when we call out to Him. We also learned to praise Him in all situations. We have been learning about Chinese New Year this week, and the kids have enjoyed making the dancing lion and lanterns. Our classroom is very festive! For math, the number line has helped us to add numbers, and the kids are pretty comfortable using it. On Thursday we learned how to draw a tiger, and began to learn about different coins. Next week, for share time on Friday, please send the kids with a stuffed animal that would live in Africa.

On February 8, we will celebrate our 100th day of school. I will be having the students bring 100 of something to share. Examples of what to bring could be: 100 marbles, 100 rubber bands, 100 pencils, 100 crayons, 100 goldfish crackers, 100 animal crackers, 100 stickers.... You get the idea.

Have a great weekend! Mrs. Powell

### Mrs. Davidson's Classroom

Because of the long weekend and the fun day bowling on Tuesday, this has been a short week. We all had a great time at the lanes on Tuesday morning, and the kids did so well! Next Tuesday we have planned to go to the Idaho Discovery Center.

We started the second half of the school year this week! In PE we're practicing our basketball skills, and this week we especially worked on passing. We also started a new world geography unit in Social Studies, learning about Asia.

We finished our Bible unit this week on the Era of the Judges. We learned that God will always be with us, but that His way is the best way for us. The Israelites often chose to disobey and go the way of other nations, but they didn't like the consequences. When they turned back to God and confessed he would provide a deliverer to bring them back to him. Thank God for his mercy!

### Mrs. Messecar's Classroom

This has been a busy week. We lost a student last week and gained one this week. We will miss the one we lost and are praying that he returns.

Tuesday we went to Bogus Basin skiing and snowboarding. The kids all had a lot of fun. There were 2 students who had not been skiing before. There was good growth from the time they first put their skis on until the day was over. I think they are all looking forward to the following 2 Tuesdays.

Wednesday and Thursday were MAPs Testing days. They worked diligently to do well.

Friday and Saturday we will be going to the Music Festival at Gem State Academy to learn more about music. The students will be joining the Gem State Academy students, and students from 3 other Adventist Elementary schools to form a great choir. They will have their choir performance Saturday afternoon at Gem State Adventist Academy at 3:00 in the afternoon. Parents are encouraged to attend and see what they can do. Thank you for the privilege to work with such wonderful young people.
